Antonia Zgondea

Job role: Marketing Specialist

Years in Vox: **2 years and 9 months**

What is the most exciting
thing about working at VOX?

-  Working with an amazing team which contributed to **my development in multiple areas.**

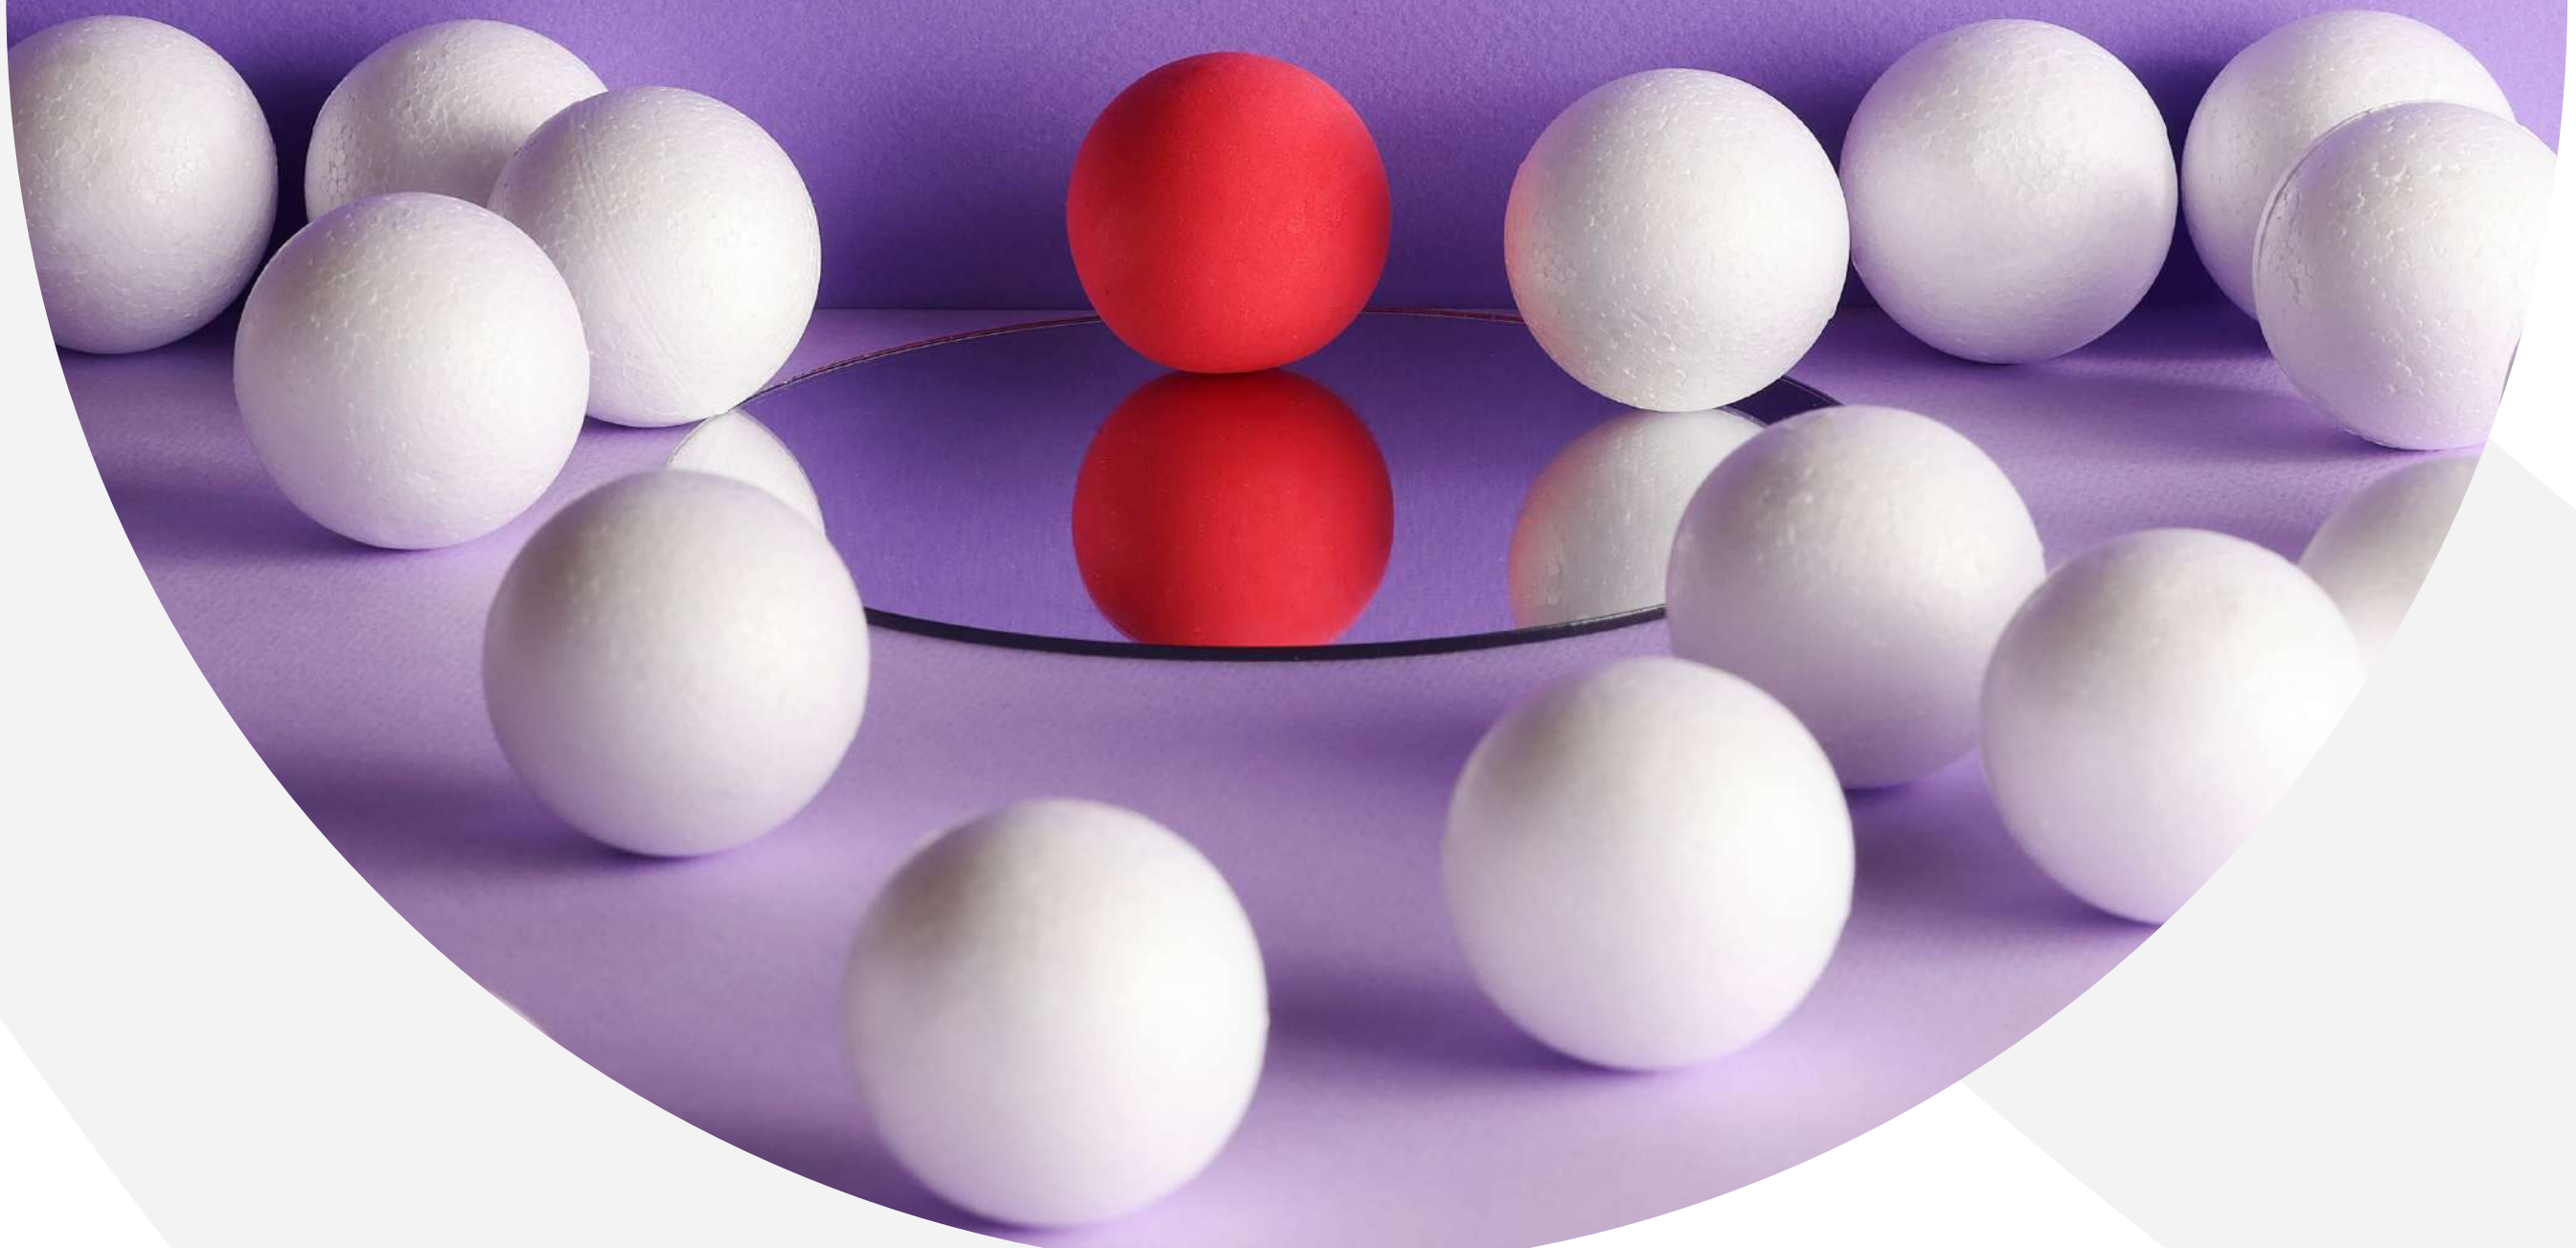

How would you describe the team you are working with?

 **Supportive, kind, compassionate, reliable, inspirational.**

Which VOX core value resonates with you most, and why?

 **Accountability** as I find it's a value rooted in me outside of the work space as well. I believe it is one of the principles that help us grow.

New things that you would like to learn?

-  To say martial arts would sound cooler but I am too lazy for that. Let's keep it real: **playing the guitar or the piano.**

If you could add a word to the dictionary, what would you add?

 **Don't-really-care-ism** = don't allow things that are out of your control to affect you much.

What is your hidden talent?

 **My secret weapon: intuition!** It's like having a built-in sixth sense. I can practically predict the future... well, almost.
