What is the most exciting thing about working at VOX?

-  It's the Team diversity, growth opportunities and definitely the cultural exchange.

How would you describe the team you are working with?

-  I feel lucky to work with a very friendly supportive, dedicated and motivational team.

A circular inset image showing three people in a meeting. A woman with blonde hair, wearing a white sleeveless top and a grey skirt, is pointing at a whiteboard with a marker. A man in a blue checkered shirt is looking at the whiteboard. A woman with blonde hair, wearing a white patterned shirt, is holding a white mug and looking at the whiteboard.

**Which VOX core value
resonates with you most?**

 “Excellence” because I hold the view that quality improvement must be a constant striving for perfection.

What is your most impactful achievement at Vox?

- 🌀 The recognition for my efforts within the first few weeks of joining, which not only boosted my confidence but also kept me motivated right from the start.

New things that you would like to learn?

- 🎾 I'd love to master sports like Padel, but I seriously need extra hours in my day—maybe a time-turner from Harry Potter would do the trick!

What's one thing that has made you smile recently?

- 🌀 A recent family gathering filled me with joy as I watched everyone laughing and enjoying each other's company. The happiness on everyone's faces made the day truly special.
