Andrei Constantinescu

Job role: Business Development
Operations Specialist

2 years in Vox

What is the most exciting thing about working at VOX?

 Collaboration, Innovation, Impact, Rewarding, Teamwork

How would you describe the team you are working with?

 Agile, Ambitious,
Results-Driven, Skilled

INNOVATION

Which VOX core value resonates with you most, and why?

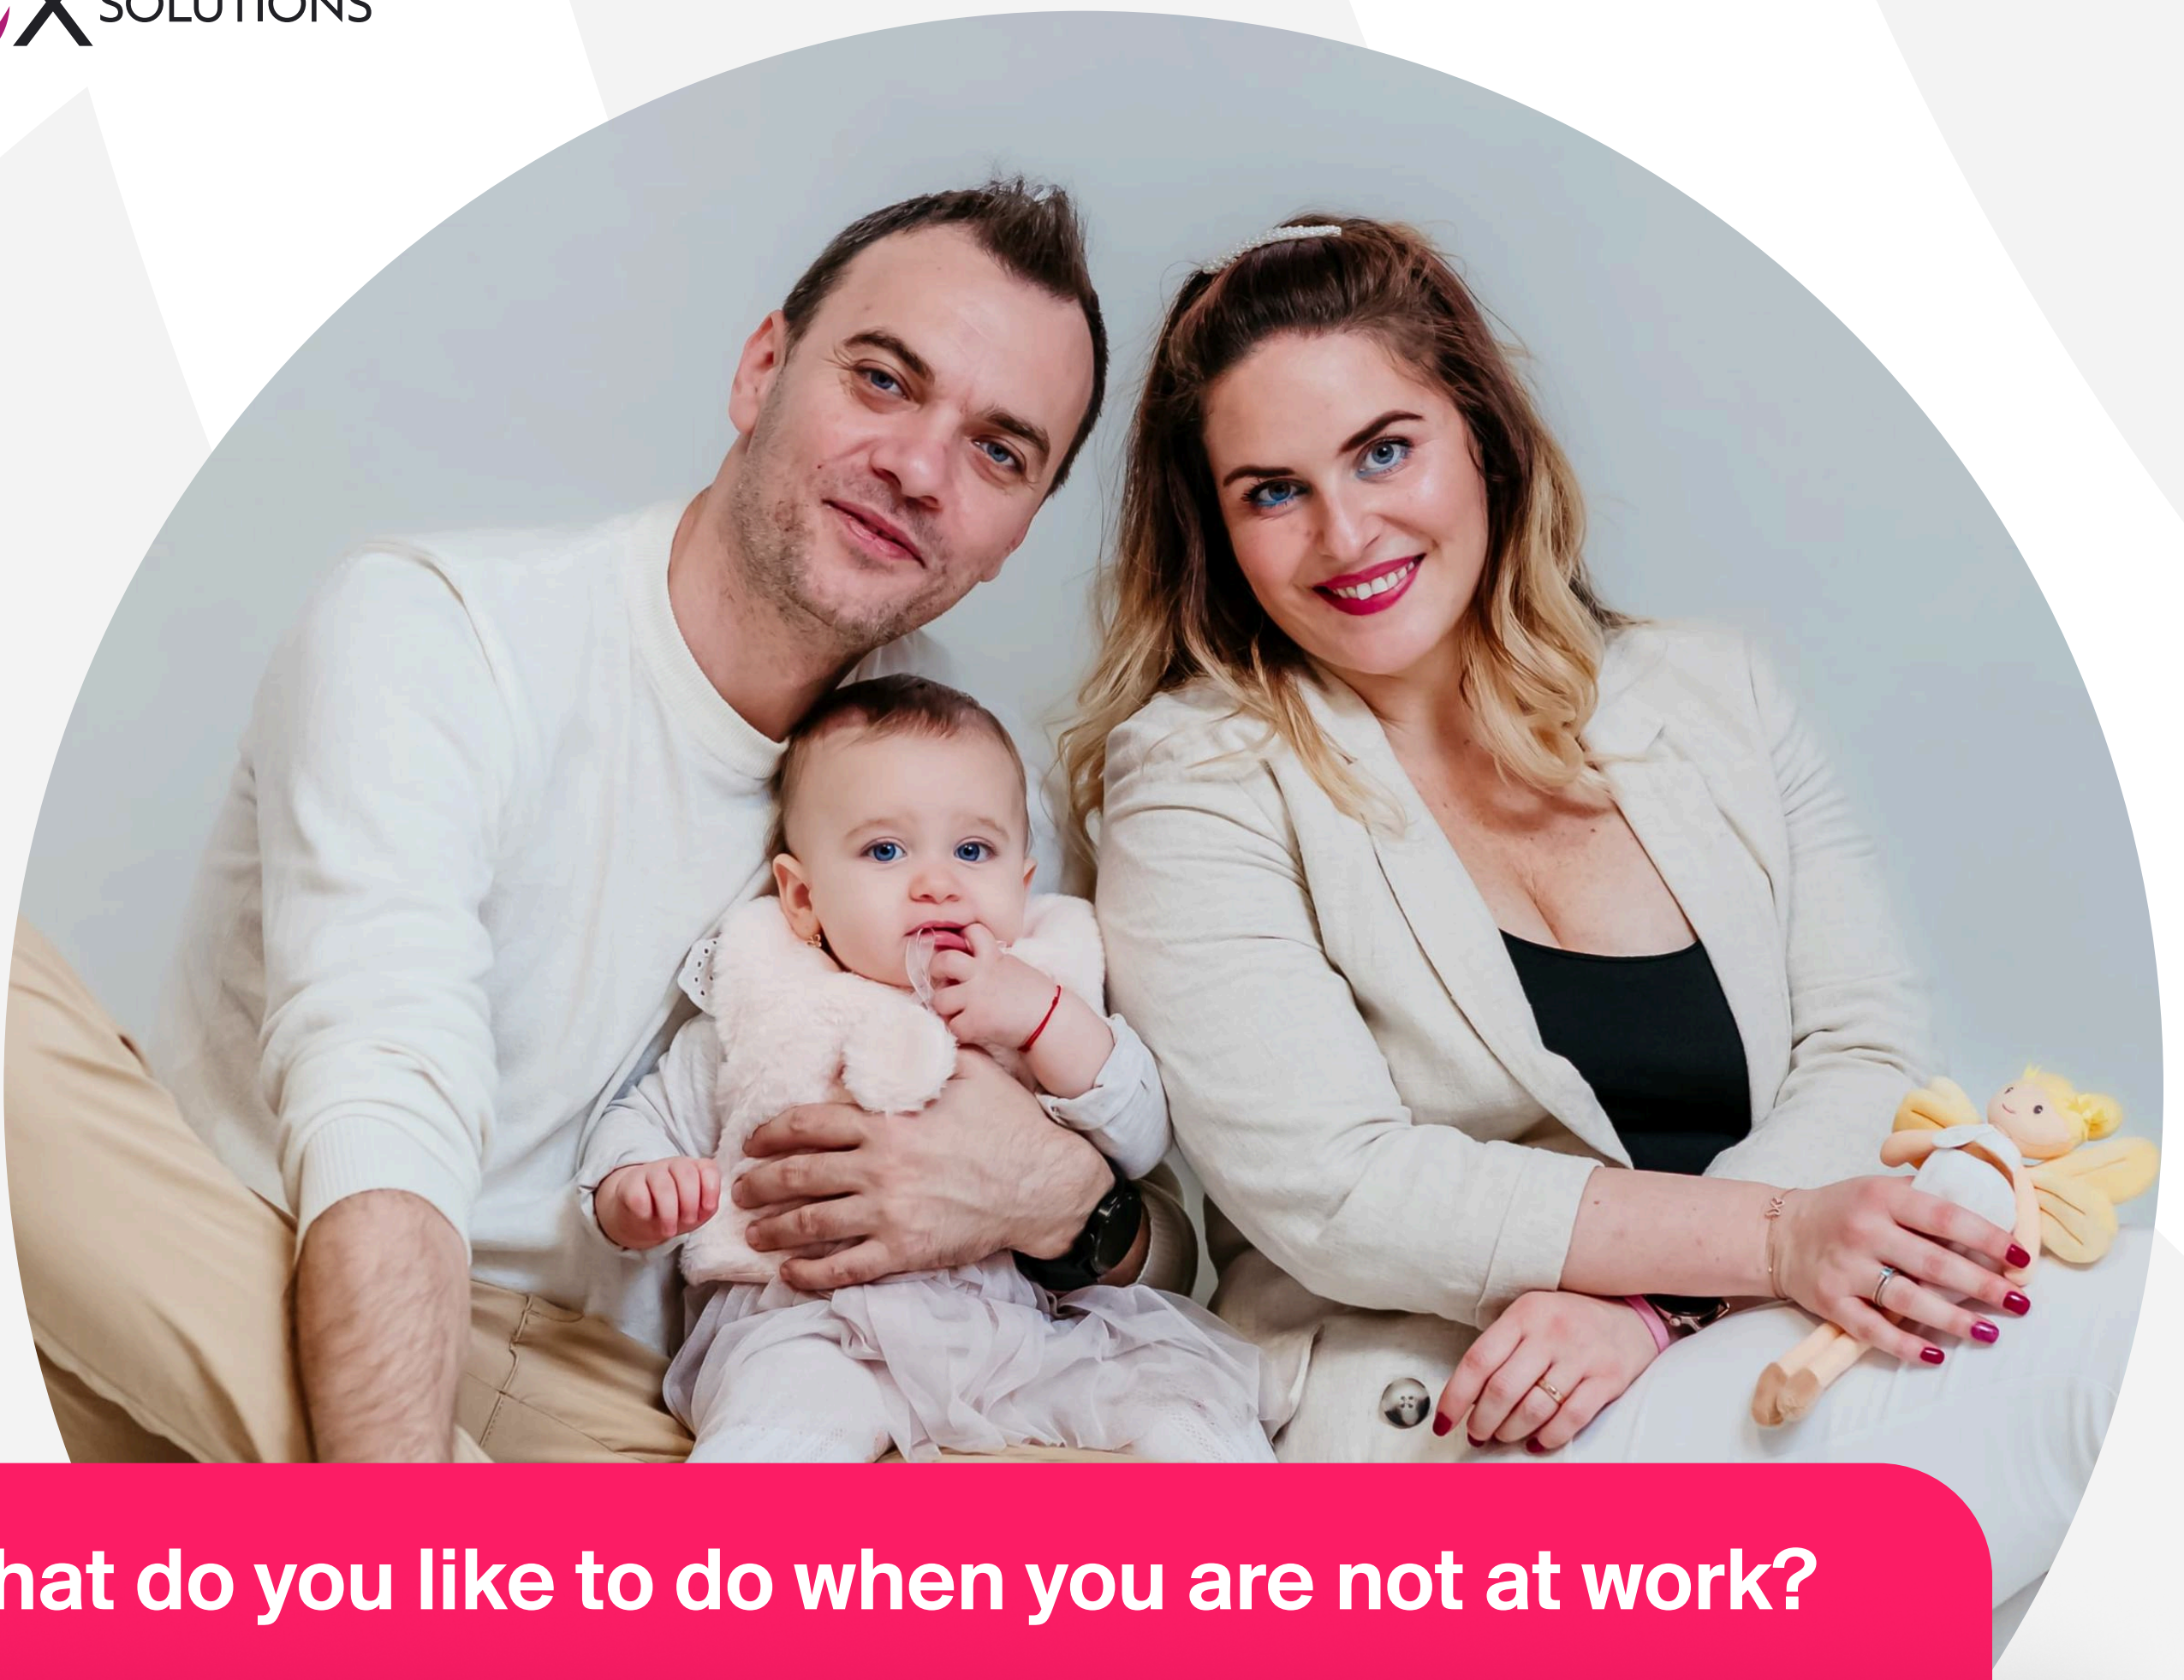

- 🌀 **Innovation.** I thrive in a forward-thinking environment where new ideas aren't just nodded at but actually put into action.

New things that you would like to learn?

- 🌀 I want to become the ultimate CRM wizard, automating sales processes so smoothly that even robots would be impressed. Also, I'm on a mission to level up my data analysis and business intelligence skills – strategic decisions without data is like trying to find WiFi in the middle of nowhere!

What is your hidden talent?

 I have a photographic memory, which helps me retain details quickly and recall important information with accuracy. The downside? Once I see something, I can't unsee it! 😂

What do you like to do when you are not at work?

🌀 When I'm not working, I'm... still working! 😏 Full-time dad mode: activated! Having a one-year-old keeps me on my toes — it's a wild adventure fueled by love, laughter, and an unlimited supply of energy (and coffee!).

OPTIMIZ**ACTION**

If you could add a word to the dictionary, what would you add?

- 🌀 I would add "**Optimizaction**" – the perfect mix of optimization and action. It's when you don't just plan improvements but actually make them happen efficiently!
