Meet the Team

Vedrana Ciric

Job role: Routing Manager

2 years in Vox

What is the most exciting thing about working at VOX?

- 🌀 I've basically collected friends from every corner of the globe. It's like a real-life 'Around the World in 80 Days,' but with more awkward Google Meets and questionable snack exchanges.

How would you describe the team you are working with?

- What I appreciate most is the strong sense of community. It's a place where we genuinely support each other, and the openness to new ideas creates a really positive working environment

Which VOX core value resonates with you most?

 **Accountability** - I'm basically a human Post-it note. If I say I'll do something, consider it done. And if you need help? I'm like a knowledge-dispensing vending machine, but with slightly better jokes.

What is your most impactful achievement at Vox?

- 🌀 My superpower - digital ninja. No email escapes my inbox, no task goes unfinished, not even those last-minute 'OMG, can you fix this?' An email grim reaper, but with 😊

New things that you would like to learn?

- 🌀 Speaking Greek like a sassy god and wrestling phyllo dough into submission. Basically, I'm aiming for 'My Big Fat Greek Baking Show' stardom.

What is your hidden talent?

- 🌀 I'm a multitasking maestro! Picture this: Saturday mornings, I'm simultaneously cleaning, channeling my inner Beyoncé, and learning a language without spilling cleaning fluid on my phone. Beautiful, chaotic symphony!

What do you like to do when you are not at work?

- 🌀 I enjoy epic 20k+ step adventures with my dog, Simba, and my friends, and then I switch gears to passionately cheering for Partizan at their matches, which always leaves me voiceless.
